

The Prairie Dogs in the greater Albuquerque area are Gunnisons, one of the five species (genus Cynomys) of stout, short-legged, terrestrial squirrels, named for their bark like call.

Prairie Dog Pals is a non-profit 501 (C) 3 organization dedicated to the preservation of Prairie Dogs in Albuquerque. Our goal is to preserve natural native prairie dog habitats in appropriate areas.

We help care for urban prairie dogs through supplemental feeding in barren areas and by relocation for preservation and population control. We also provide information and education about Prairie Dogs to the public.

Volunteers and donations are welcome. For more information check our website at: WWW.PRAIRIEDOGPALS.ORG or call
